COMING EVENTS

Best wishes to the cast and crew of "Poncho Betty" as they compete in the South Carolina Theatre Association Community Theatre festival this week-end in Columbia.

"BREMEN TOWN MUSICIANS," a lobby-show for children, directed by Kathy Wall, will play at 11:00 and 1:00 the first three Saturdays in November. Gather the neighborhood children together and bring them in for a roaring good time.

Gilbert and Sullivan's "THE MIKADO" is the next main-stage production, a cooperative effort with The Shaw Stage Company. It will play at Shaw the first week in December, opening here in S.L.T. December 7th. All season tickets will be honored.

Shaw Stage Company will perform "SOUTH PACIFIC" November 4th, 5th, 6th, 7th, and 8th.

Directed By Bob Wallick

ABOUT THE CAST

Angela O'Hara is a student at USC-Sumter in Theatre/Speech. She was last seen on our stage in "Chapter Two." ...**Ken Poston** is also a student at USC-Sumter and is remembered for his most recent role as the Lion in "Midsummer Night's Dream" this summer. ...**Sid Walton** is returning to the Sumter Little Theatre after much too long an absence. He was last seen here in "The Death and Life of Sneaky Fitch." Most of the time, he is an accountant with MacEwen and McGregor. ...**Helen Walton** has also been absent from the boards for some time; her last show was "The Music Man." But she is no stranger to Sumter Little Theatre audiences, being the friendly face behind the Box Office window. ...**Bill Walton** completes the family picture. Unlike his parents, he has been in several recent productions, including last season's "Born Yesterday" and "Everybody Loves Opal." ...It's hard to believe, but this is **Tom Kronberg's** first appearance on-stage. His name appears in almost every S.L.T. program, but it is usually crediting him with some backstage activity. ...**Dean Long** is one of our most active performers. This is his third appearance this season, and the season's only half over. ...**Ken Reeves'** most recent role was Oberon in "Midsummer Night's Dream." He joins the Air Force in December. ...**Albert Little** was most recently in "Babes in Toyland" although he has been active back-stage in several productions. ...**Kelly Keetch** was in "Midsummer Night's Dream" and along with Albert, Debbie, and Killian, is also hard at work on "Bremen Town Musicians," which opens next week. ...**Killian Heilsberg** made her first appearance on the S.L.T. stage in "Babes in Toyland." She is a Freshman at St. Jude's. ...**Debbie Wallick** is making her debut with this show. She is a student at Sumter High. ...**David Sohn** comes to this show fresh out of "Blithe Spirit." He spends his days as a local contractor. ...Director **Bob Wallick** mounted our production of "Chapter Two" last season.
